

## OFFICIAL ANNOUNCEMENT

### Product Change Notification

PCN #: PCN016

Date: June 28<sup>th</sup>, 2006

Synopsis: End Of Life of Network Interface NIC709-IP1E and NIC709-IP3E

Type of change: Software: **no** Hardware: **yes** Documentation: **no**

Product Affected: NIC709-IP1E  
NIC709-IP3E

Firmware version: all

Effectivity: immediately

#### **Contents of Change:**

The production of the NIC709-IP1E and NIC709-IP3E will be terminated. Remaining quantities are available from Stock. Orders will be handled in order of their arrival. Delivery can not be guaranteed. It is recommended to ask for available stock before placing an order.

Perfective maintenance and support are provided within the scope of our warranty with obligation.

The NIC709-IP1E and NIC709-IP3E will be replaced by a new version coming at the End of Q3/2006. The new version (NIC709-IP1E100 and NIC709-IP3E100) will have a different housing. It will be DIN-rail or wall mountable. Beside this it will have the same features as the NIC709-IPxE.

#### **Action required:**

No action required.
