Vienna, Austria, January 15, 2014

Austrian high tech provider tipped for success:

LOYTEC Wins Again At Austria's Leading Companies Award 2013

LOYTEC, specialist for innovative building automation solutions, lives up to its top business performance and was able to secure a place at the winner's podium of the renowned Austria's Leading Companies Award. With a second place in the category „solid small enterprises“, it's now LOYTEC's sixth time on the state capital's contest's winning side.

The winners were awarded for their business success in the context of a ceremony, which took place in November 25, 2013 at Palais Liechtenstein in Vienna. CTO Dipl.-Ing. Dr. Dietmar Loy joyfully received the award from the president of the Viennese Economic Chamber, Brigitte Jank.

Annually awarded by "Wirtschaftsblatt" (daily newspaper for economics), PricewaterhouseCoopers (PwC), and KSV1870 ("Kreditschutzverband von 1870"), the award is highly coveted amongst the Austrian business elite. Operating and economic figures are hereby the decisive factor for the rating, bonus points are given for sustainability. In each federate state of Austria, the three most successful companies in three separate categories were awarded, out of which resulted the nationwide overall ranking.

About LOYTEC:

Founded in 1999, LOYTEC electronics GmbH today ranks among the leading European providers of intelligent network infrastructure products for building automation. There LOYTEC sets to open and standardized communication protocols exclusively. LOYTEC develops, manufactures and distributes to the world router solutions, embedded Automation Servers, DALI lighting controls, graphic user interfaces, touch panels and gateways. Primary focus is on network solutions for buildings and real estate. Methods provided are remote access and notification, as well as functions for data acquisition, information viewing and data storage. The LOYTEC system is based on a protocol independent approach for decentralized alarming, scheduling and trending. Product development and manufacturing are located at the Austrian headquarters in Vienna. Particular emphasis is laid on careful and top-quality execution. LOYTEC is certified according to ISO 9001 since 2004. In addition the company has branch offices in France (software development) and Germany (sales) and a subsidiary in the USA. LOYTEC supplies to more than 80 countries around the world. Export rate is 98 %. Strong partnerships with leading industrial companies and intensive research work in cooperation with universities result in innovative products for customers all around the world. Numerous national and international awards confirm the run of success of this Austrian high tech provider.

LOYTEC products are found in projects like the Uniqa-Tower or the T-Center in Vienna, the main train station and the German parliament (Reichstag) in Berlin, the ThyssenKrupp Quarter in Essen, the regional bank Baden-Württemberg in Stuttgart, the Esprit Arena Düsseldorf, one of the most modern multifunctional stadiums of Europe, the Gallileo Tower in Frankfurt, the Rheinhallen/RTL-Studios in Cologne, the biggest cruise ship of the world, the "Oasis of the Seas", the fair center Jaarbeurs Utrecht in the Netherlands, Il sole 24 ore, the headquarters of Italy's leading financial magazine in Milano, the Governor Rockefeller Empire State Plaza in Albany/New York State, the world's most spectacular sport arena, the Dallas Cowboys Football Stadium in Arlington/Texas, the Wangjing International Commercial Center and the China Reinsurance in Beijing, the Ernst & Young Headquarters in Sydney, Iland many others more.
