

A Delta Group Company

and

LOYTEC Competence Center

23 OCTOBER  
08:00 AM - 17:00 PM

LIVE EVENT

Invite to:

# Buildings under Control Symposium 2025

| Scandinavia Live Event

## LOYTEC and the Future of Intelligent Buildings - A Nordic Perspective

Join us for a full day with some of the sharpest minds (and most passionate nerds) in Building Management and Smart Automation. We'll dive into Unified Room Automation, shed light on ESG and the EPBD, and explore how Denmark and the Nordics can lead the way in both retrofit and new construction projects.

**Hans-Jörg Schweinzer**  
LOYTEC electronics  
CEO

**Danijel Nuic**  
LOYTEC electronics  
VP Global Sales

**Kjeld Kirkgaard**  
GH Connect  
CEO

**Amdi Kirkgaard**  
LOYTEC electronics  
Global Marketing & Strategy

Limited seats - reserve yours at  
**Kjeld: [kk@gh-dk](mailto:kk@gh-dk)**

Scandic Spectrum, Kalvebod Brygge 10, Copenhagen V

## On stage:

**Hans-Jörg Schweinzer**  
 CEO, LOYTEC | State of the Union & Vision 2030

**Danijel Nuic**  
 VP Global Sales, LOYTEC | Unified Room Automation without compromise

**Kjeld Kirkgaard**  
 Competence Center Scandinavia | Welcome & Nordic Perspective

**Amdt Kirkgaard**  
 Global Marketing & Strategy | ESG, EPBD and the opportunities in the Nordics

## Guest Contributions:

**DTU Smart Building Project:** AI-enhanced, anonymized cameras managing next-gen room automation – all powered by a single LINK Controller

**A fresh perspective from Sweden:** One of our newest collaborators will join us on stage to share insights into the Swedish market and how they approach smart building control  
 JUNG: Showing off devices and demo boards in the foyer during breaks

## Who should attend?

Anyone responsible for or curious about smart building operation: integrators, facility managers, consultants – and decision-makers.

**UPCYCLE YOUR SPACE.**
